VOLUNTEER TRANSPORTATION

Volunteer Transportation helps meet the transportation needs of King County seniors and their families. A team of more than 600 volunteer drivers use their own vehicles to drive seniors to medical, dental, eye, foot care and other essential appointments. Volunteer drivers provide a personalized, one-on-one transportation service. They drive seniors to and from appointments, waiting with them until they are ready to return home. Seniors who use our service appreciate the helping hand and moral support.

There is no charge for Volunteer Transportation services.
